Career Experience

SENIOR ACCOUNTANT, JACK Casino Cleveland, Cleveland, Ohio 01/2017 to 03/2020
Improved performance and ensured accuracy through training and coaching accountants for audit and internal codes. Conducted multiple meetings on monthly basis to discuss multiple organizational matters and suggest solutions accordingly. Informed accounting teams regarding changes in internal codes and company's policies and procedures to ascertain the compliance with procedural changes. Maintained accuracy and effectiveness of audits by maintaining Excel spreadsheets and using advance formulas.

- Systemized company's audits and reduced working hours on daily basis by providing home base services.
- Secured over \$40K annually by overseeing additional 40 account reconciliations, preventing the need to appoint another accountant.

STAFF ACCOUNTANT, Horseshoe Casino Cleveland / JACK Casino Cleveland, Cleveland, Ohio 02/2014 to 01/2017
Analyzed the performances of accounting department to comply with Ohio Casino Control Commission Rules, approved System of Accounting and Internal Controls, and company policies and procedures. Maintained general ledger accounts by recording necessary general entries as well as inspected all required documents and paperwork from front-of-house casino operations to evaluate financial status. Conducted thorough inspections and reported multiple variances.

- Played an integral role in identifying and resolving the errors in company's control system
- Awarded Rock Star for Caring Culture in January 2015.
